The Texas Citizen Corps Program and TARC will award the trailer to a program whose competitive application demonstrates the best plan for using the trailer to promote Citizen Corps programs and the Texas Homeland Security Strategy. Plans for regional use of the trailer are encouraged. Applications will be scored and the recipient determined by the Texas Citizen Corps Council.

The awarded program will be required to:

1. Obtain and maintain full coverage insurance or present proper documentation claiming exemption from the compulsory Liability Insurance Law for the life of the trailer. Proof of that insurance or exemption must be provided when receiving awarded trailer and upon request following initial proof;
2. Maintain all license plates and inspections required by the Texas Department of Public Safety and the local jurisdiction of record;
3. Maintain the trailer in good working order;
4. Use the trailer only for permitted purposes, including all Citizen Corps programs, other permitted homeland security trainings, exercises, approved community events and CCP activations by the local jurisdiction's Emergency Management Authority or the State of Texas;
5. Return the trailer to the Texas Association of Regional Councils if deemed no longer needed or no longer being used according to the FY2006 Citizen Corps Program Grant Guidance.

TARC, along with the Office of the Governor, Homeland Security Grants Division (HSGD) reserves the right to perform periodic on-site monitoring of the awarded program's use of the trailer. The awarded program shall make the trailer available for inspection by HSGD and/or TARC or any of its authorized representatives and shall make available any performance records deemed pertinent by HSGD and/or TARC.
